

# BRAZILIAN TRADE MISSION TO TURKEY

Istanbul, June 11<sup>th</sup> to 13<sup>th</sup>

ABIMO (Brazilian Medical Devices Manufacturers Association), in partnership with Apex-Brasil (Brazilian Trade and Investment Promotion Agency), launches the new brand of the Brazilian healthcare industry into the international market: **Brazilian Health Devices**.

The creation of **Brazilian Health Devices** represents the maturity of the Brazilian health industry to reach the foreign market. Through the brand, the world will come to learn of the quality and reliability of Brazilian technology in medical, dental, hospital and laboratory items and equipments.

ABIMO and Apex-Brasil are working together to increase the outreach of Brazilian health products to beyond to the 180 countries where our companies have exported, looking to raise our exports progressively from the US\$ 633 million recorded in 2010. The Brazilian health industry's exports have grown by over 180% since 2003.

By means of **Brazilian Health Devices**, our country will contribute with the supply of reliable products to the world, allowing for health and quality of life at a very competitive cost-benefit.

Visit our website and check out Brazilian manufacturing companies for health products:
